Report to AGM – 2010

I have attached two spreadsheets to this document as they describe the work done by the RCA in this Region.

Rider numbers were up in all areas and levies must be at a record high. Most Organisers have begun to report their results straight to H.Q.; I think pressure from the riders has instigated this.

An Assistant Commissaire course was held in February. There were 14 attendees, 3 of which have completed their further training and another is very close.

A letter to organisers and clubs will be going out Tuesday 7th September, asking for early event registrations and including the potential increase in regional levies to £1.00 for the road.

I thank Organisers for their co-operation during 2010 and I will be glad to carry on in my role as R.C.A. for 2011 should the members wish.

Ivor Armstrong
