EVENT MANUAL

Important information for competitors and officials

**Promoted on behalf of Isle of Man Youth Tour
in partnership with Isle of Man Cycling Association**

Under the Technical Regulations of British Cycling

**Qualifying event for British Cycling National Youth Circuit Race
Series and National Junior Road Race Series 2009**

On behalf of the organising team, welcome to the Isle of Man for the 2009 International Youth & Junior Tour.

This manual details the race procedures and regulations, so please take the time to read the following information carefully.

*James Smettem
Event Director*

Event Headquarters

The Event Headquarters are located at:

Claremont Hotel, Loch Promenade, Douglas, Isle of Man

Signing On

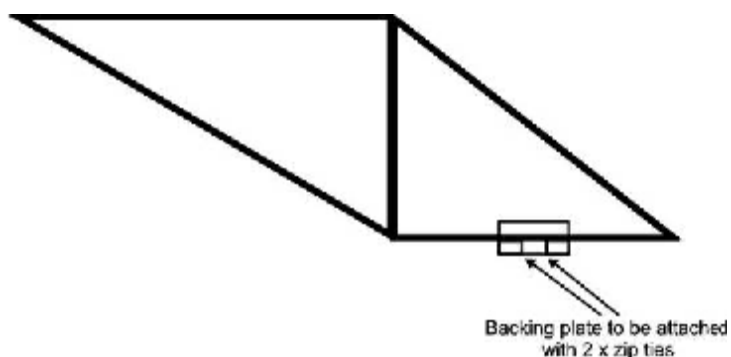

Event registration and signing on for Stage 1 will take place on Friday 1st May 2009 at the **Amber Bar (below Chesterhouse Hotel, Loch Promenade, Douglas)** between **2.00pm** and **5.00pm**. You will be provided with your race information pack which includes your race numbers and a timing transponder. You will need to hand in your 2009 Racing Licence and valid BC Dispensation Card (if held) which will be retained for the duration of the Tour and will be returned upon receipt of your timing transponder.

You are also required to sign on for **every** subsequent stage at the following times & locations:

<i>Stage</i>	<i>Event</i>	<i>Category</i>	<i>Location</i>	<i>Time</i>
2-1	Junior Road Race	Junior	Peel Clothworkers School	8.00 – 8.30am
2-2	Youth Road Races	Youth	Marown School	12.00 – 13.30pm
3-1	Junior Road Race	Junior	Ramsey Rugby Club	7.45 – 8.30am
3-2	Youth Circuit Races	Youth	Ramsey Rugby Club	10.00 – 11.30am

Race Numbers & Timing Transponders

Race numbers must be worn **unfolded** on the rear pockets of the jersey. Timing transponders must also be correctly fitted. Please see diagrams below for details:

Gear Checks

All competitors must have their gears checked **before** signing on for each stage. Locations of the gear checks are as follows:

<i>Stage</i>	<i>Event</i>	<i>Category</i>	<i>Location</i>
1	Prologue	All	Douglas Corporation Bottleneck Car Park
2-1	Junior Road Race	Junior	Peel Clothworkers School
2-2	Youth Road Races	Youth	Marown School
3-1	Junior Road Race	Junior	Ramsey Rugby Club
3-2	Youth Circuit Races	Youth	Ramsey Rugby Club

The first 3 finishers of each stage must also have their gears checked **immediately** after the stage finish.

As per BC Technical Regulation 3.3, the following gear restrictions shall apply in this event:

<i>Category</i>	<i>Gear Restriction</i>
Youth A	6.93 metres
Youth B	6.45 metres
Youth C	6.05 metres
Youth D	5.40 metres
Youth E	5.10 metres
Junior	7.93 metres

Access and Parking

Please ensure that you park in a designated car park or in a place which does not cause an obstruction or block access to property or any of the courses. Only authorised vehicles displaying an "Official Car" sticker are permitted on the courses.

All races with the exception of the Junior Road Races (stages 2-1 and 3-1) are on fully closed roads. Stage 2-1 will have a full road closure only on the section of the course known as 'The Switchback' which runs from the left turn off the A20 after Poortown Quarry to the left turn onto the A4 at Knocksharry. The remainder of the route is on open roads with a Police escort. Stage 3-1 will be on open roads with a Police escort. At the end of lap 6 riders will turn right onto Mooragh Promenade finishing circuit which will be fully closed to traffic.

Anyone found driving on closed roads without permission of the Event Director, will be subject to prosecution of up to £2,500 as per the Road Closure Act.

Spectators

Please follow the instructions of the race marshals, officials and Police at all times. Remain behind steel barriers and do not walk on any of the circuits. Even if the riders have gone past, there still maybe official cars/motorcycles travelling around.

Results

Provisional results will be displayed at the start/finish areas on a plasma screen. Official results will be published and made available at the Race Headquarters after each stage. Results will also appear on www.youthtour.co.uk

Officials Briefing

There will be a briefing for all officials and drivers at the **Claremont Hotel** on **Thursday 30th April, 2009 at 7.30pm.**

Communication

All race communication will be by means of private band FM radio. While the event is running, please do not use the radios except in an emergency. Commissaires require the full use of the radios at all times and you may interfere with time checks.

RACE REGULATIONS

The race will be run under the Technical Regulations of British Cycling, however please note the following regulations which are specific to this event.

Equipment

BC Technical Regulations regarding bicycles and equipment apply in this event. Competitors must use the same bicycle for all stages. If, as the result of a crash or mechanical problem, the bicycle should sustain irreparable damage then a replacement will be permitted subject to the approval of the Chief Commissaire.

Warming Up

Riders must not warm up in the following places: Stage 1: Douglas Promenade roadway; Stage 2-2: Section of TT Course adjacent to Marown School.

Riders are not permitted to use the Prologue course until the circuit has been closed. Any rider found warming up could be subject to disqualification from the event.

Warming up will not be permitted on the Ramsey course. Riders found warming up on this course will be subject to disciplinary action.

Race Start (Road & Circuit Races)

Parents, Team Managers and Mechanics will not be allowed in the race start areas and riders will not be allowed to be held up.

For Stage 2-1 (Junior Road Race) riders and the race convoy will assemble at the stage headquarters (Peel Clothworkers School) and proceed in neutralised format to begin racing at the start/finish line.

For stage 2-2 (Youth Road Races), **Youth D&E only** riders must make their own way to Braaid Hall no later than 13:45 where they will be assembled by race officials for the race start. Parents/helpers who wish to transport riders to the start by road may do so up until 13:45 whilst the roads are open. This will give adequate time for vehicles to return to Marown School or the race finish area prior to road closure at 14:00. Vehicles transporting riders which arrive at Braaid after 13:45 **must** use the alternative route via A24/Cronk Road to Union Mills then A1 to Glen Vine or Crosby as required. Please see the map on page 16 for further information.

For stage 2-2 (Youth Road Races), **Youth C, B, A only** riders and the race convoy will assemble at the stage headquarters (Marown School) and proceed in neutralised format to begin racing on entry to the circuit.

For stage 3-1 (Junior Road Race) riders and the race convoy will assemble at the stage headquarters (Ramsey Rugby Club) and proceed in neutralised format to begin racing after the right turn onto the A10.

For stage 3-2 (Youth Circuit Races) competitors will line up on the starting grid in a pre-determined order decided by the Race Jury. Wearers of leaders jerseys will always be on the front row.

General Classification

The General Classification (GC) will be based on time. The rider with the lowest total time will be the leader on GC. In the event of equality, the rider with the highest stage

placings on aggregate shall be the race leader on GC. If there remains a dead heat, finishing positions on stage 1 will decide the overall winner. The leader's jersey will be awarded to the rider with the lowest overall time after each stage and that rider must wear the leader's jersey in the next stage (male competitors will receive a yellow jersey, female competitors will receive a pink jersey). The race leaders jersey(s) will be awarded before the start of each stage except stage 1. The overall winners jersey will be awarded to the rider who completes the whole race in the lowest overall time after deduction of bonuses and addition of penalties.

Time Bonus System

The stage winner will be the first rider to cross the line. Time bonuses for GC will be awarded to the first six finishers on each stage (except Stage 1) as follows: 1st: 10 seconds; 2nd: 7 seconds; 3rd: 5 seconds; 4th: 3 seconds; 5th: 2 seconds; 6th: 1 second. All riders will be timed to the nearest whole second with groups being given the same time unless a clear gap of one second is determined. All riders will finish on the same lap and lapped riders will be allocated a time based on the average lap time for the stage for the category, adjusted to place them after the last rider to complete the full distance. In some circumstances lapped riders may be instructed to finish their race earlier than the leading group. In the event of a rider failing to start or finish a stage they will be allocated a GC time two minutes greater than the slowest rider to finish in that category and will then be eligible to re-start the following stage.

Points Competition

The rules for the points competition are as follows:

Stage 1: The rider finishing in second place will be the leader of the points competition, however no points will be awarded for this stage.

Stage 2-1, 2-2, 3-1: Points will be awarded for the first 3 riders across the line on each lap as follows: 1st 3 points, 2nd 2 points; 3rd 1 point. The rider with the highest points total will be the leader of the competition.

Stage 3-2: Sprint laps will be as shown in the Schedule of Competition on page 4. Riders will be notified of points laps by a whistle sounded at the start/finish line on the preceding lap. Points will be awarded for the first 3 riders across the line: 1st 3 points; 2nd 2 points; 3rd 1 point.

The winner of the competition will be the person with the highest overall points total after stage 3.

BC National Youth Series Sprint Points will be awarded for each category on Stage 3-2 only for the first and last designated sprints.

Team Competition

The team competition in each category will be decided on a teams highest placed three riders on General Classification after stage 3. Combine teams will be accepted. e.g riders from different regions/clubs may ride as a team. Combine teams **must** be declared when signing on for the first stage.

All members of a team contesting the team competition shall wear clothing of a similar design and colour. The only exception being for riders wearing leader's jerseys.

Lapped Riders

Lapped riders may be instructed by the Commissaries to pull out of the race if deemed necessary. Please pay attention to the Commissaires instructions at all times - if instructed to pull out, you must do so immediately. Lapped riders will be allocated a time based on the average lap time for the stage for the category, adjusted to place them after the last rider to complete the full distance.

Retirements

Should any riders wish to retire from the race, they must report to a Commissaire or finishing judge immediately. Please do not ride in the opposite direction to the race.

Feeding

Stage 2-1 Junior Road Race: A feeding station will be located 300 metres before the Start/Finish area. Feeding is **not** permitted on the first two laps or on the last lap of the race.

Stage 3-1 Junior Road Race: A feeding station will be located at the base of Bride Hill. Feeding is **not** permitted on the first two laps or on the last lap of the race.

Drinks or other items are not to be handed up to riders during competition in any other stages. However riders may carry suitable provisions if they wish.

Neutral Service

Stage 2-1, 2-2 and 3-1

The race organisation will provide neutral service vehicle(s) whose position in the race will be under the control of the Chief Commissaire, however this maybe restricted to certain categories.

Stage 3-2

Riders may receive service in the pits area located adjacent to the start/finish area. There are **no laps out allowed on this circuit** unless, at the Chief Commissaire's discretion, it is deemed that the surface is affected due to extreme weather conditions as per British Cycling Technical Regulation 20.3.3.

Crashes & Mechanical Incidents

BC Technical Regulation 21.2 will apply: In the event of any accident, mechanical trouble or puncture occurring within the last three kilometres of any stage, the competitor(s) concerned will be credited with the finishing time of the last competitor of the group they were with at the time of the incident.

Penalties

The Chief Commissaire may impose penalties on any rider who infringes race regulations or whose conduct is deemed to be a danger to other riders. Such penalties may take the form of a time penalty, relegation or disqualification.

Appeals

Appeals must be lodged in writing within thirty minutes of the stage results being posted and must be addressed to the Chief Commissaire. All appeals require the completion of

the official form and the deposit of £25 cash, to be handed to the race jury via the Chief Commissaire, this will be returned should the appeal be successful.

Race Distances

Race distance/duration may be amended to fit within the permitted road closure regulations. This will normally only occur if there has been an unavoidable delay or the event is affected by adverse weather conditions. Riders will be briefed before the stage start of any changes and will be notified by commissaries where possible should the race already be in progress.

Anti Doping

If the event is subject to an Anti Doping control the location of the testing facility will be advised at signing on for the relevant stage(s) and the list of riders required for testing will be posted at the finish line.

Competitor Conduct

Please act in an appropriate manner and convey the correct image of cycling to spectators. Please follow the instructions of race officials at all times. If riding on public roads please ride in a safe and responsible manner.

Do remember that members of the public live on the courses used in this event. Please be polite and courteous to residents, sponsors, officials and hotel staff - they are all keen for the Youth & Junior Tour to be a success and to flourish over the coming years.

Helpline

The Youth & Junior Tour help line number is **07624 348649**

And finally...

Have Fun!
