## **THANKS**

On behalf of the Region my thanks to all those clubs and promoters who ably promoted events throughout 2019 in increasingly challenging times for organisers with increasing number of roadworks and bad road surfaces, thanks to all the clubs for supporting these events in the various roles and to the Accredited marshals who without such we could have no road racing in the Region.

Regional Championships have been promoted in many disciplines and congratulations go to all the Region's Championship medallists. Congratulations are also extended to all those members of the Regions Clubs and Teams who have won National Championships medals across the various disciplines of cycling, and those competitors who have represented their teams and countries at International events at the highest level and to the Youth and Junior Riders who have so ably rode in races representing the North West Region. Special congratulations go to Astley & Tyldesley Cycle Speedway for achieving an U16 World Championship title with Emily Burgess.

Thanks finally to all the Officials who have given up of their time to assist at the many events throughout the year and who continue to make the North West the busiest Region in the country and one that many aspire too.
