Officials gave brief résumés of their work carried out during the past year and the Officers and Committee members were elected to serve the forthcoming year.

REGIONAL COUNCIL

10 Members attended the North West Regional Council meeting held on 23rd October 2019 at the National Cycling Centre, the National Council agenda was discussed with our National Councillors mandated as to their vote at the National Council meeting, to which our 6 National Councillors represented the region in November 2019.

THOUGHTS & THANKS

On behalf of the Region my thanks to all those clubs and promoters who ably promoted events in 2019/20 until circumstances beyond our control took away any hope of a full season of racing, these have been very challenging & unprecedented times but I'm confident that working together we will get through this crisis and hopefully a positive to take from it all is that hopefully we will all be a closer, more understanding, appreciative and considerate region when it is over.

Stay safe & well everyone.
