

RCA Report for the NW Region 2020 AGM (Road/Circuit & Track)

This report is broken down into 3 parts;

1. Pre Covid - 19 (In the period from October 2019 - February 2020 the following racing activity was agreed with promoters;

- Regional road race calendar of 27 events
- National Junior TT and road race Championships (Men and Women)
- National Junior road race (IOM)
- Regional road race Champs (Men for 2020)
- Continuation of track leagues at the NCC for MRTL & ACT
- National events for Youth Track Omnium and National University Champs
- Circuit race series at Tameside, Preston, Litherland, SalyAyre and Carlisle
- National Youth circuit events (2)
- Regional Youth circuit championships

In addition, the following activity was undertaken;

- Establishment of racing on the road in Cheshire and agreement with Cheshire Constabulary as to the way forward
- Required police permits in place more than 28 days before events
- Audit of Regional Commissaires (Road/Circuit and Track) and establishment of true capacity and gaps
- RCA allocation of Comms to races to establish allocation of experience, proximity to race and Comms development
- Establishment and implementation of a mentor system for trainee commissaires (following comms training event)

2. Post Lockdown and following suspension of racing activity:

- 4 Road races had been completed
- Development of the U23 Regional Academy
- Work on Covid Mitigation plans for return to racing

3. Going forward

- Racing calendar for 2020/21 in line with Covid Guidance (return to racing plan)
- Education of race organisers to enable Covid compliance
- Continuation of strategies from pre-Covid (see part 1)
